Government New Law College, Indore has been organizing Workshop on Legal Research, Teaching Methods & Techniques from 04th February to 11th February 2021.

Fifth day of the workshop on 9th February 2021 on the title '**Steps in Legal Research**' began with the introduction of the event followed by the brief description of the our Institution. Further, Prof. Shweta Jain gave a brief introduction of Guest Speaker Dr. V.S. Choubey, Professor & HOD (Law), SGB, Amravati University.

At the outset, Guest Speaker mentioned about the way to select subject of the research and proper understanding of the same. He advised to take on those topic in which researcher is comfortable and possess expertise so as to do justice with the research. The foremost thing, according to him, is the determination of research area & strength & weakness of the concerned individual. Furthermore, he also discussed about the glossary of terminology since the terms have their dynamic nature in accordance with the civilizations. In addition to this, he shed some light on the review of literature so as to be aware of the existing work in relation to the research topic, which could guide the researcher to carry out a research work effectively. He further extended by categorically explain the significance of hypothesis in research works. Moreover, he enumerated the way to put collection of data in proper manner. While concluding the session, he firmly emphasized on giving recommendations in research work rather than rendering just the conceptual part of the subject.

At the end of the workshop , vote of thanks was delivered by Prof. Mirza Moziz Beg and with this, session was concluded. The workshop was streamed on YouTube live where about 70 participants joined and on CISCO Webex portal where about 80 participants joined.
