Old Age Home Visit Report

On 13th Oct, 2022 NSS Volunteers from Government New Law College, Indore visited Akhand Paramdham Seva Samiti old age home under the Swachh Bharat Abhiyan running from Oct. 1, 2022 to Oct. 31, 2022. The volunteers were greeted with kindness and warmth and got to know the real problems of the old age people presented there. They observed abandoned and disabled people. No matter what the cause was, what mattered the most was their age. Sachin Arya ji present over there, while explaining the definition of the word old age to the volunteers, told that the real reason of increasing old age home today is due to lack of love in the society. GNLC students provided information related to cleanliness, environmental protection, and no use of plastic.

Though the time spent with them was just a few hours, however, it taught a lesson for lifetime. The activity was done under the guidance of NSS Programme officers Prof. Milind Kumar Gautam and Dr. Asha Thakur.
