Report on Gender Justice in Indian Perspective

Today, on 25/11/2022, a program on "Gender Justice in Indian Perspective" was organized at Government New Law College Indore under Swami Vivekananda Career Guidance Scheme, in which Principal of Pre-Examination Training Institute Smt. Alka Bhargava was the Chief Guest and Special Guest Dr. Nisha Kewalia, Principal Motilal Nehru Law College Khandwa and Chief Speaker Ms. Maya Pandey (Former Chairman Juvenile Justice Board Indore) were present and presided over the program. The programme was presided by the hon'ble Principal Dr. Inamur Rahman. The programme began with the lighting of the lamp and welcoming of the guests.

In the addressing session, the Chief Guests presented the current circumstances of gender inequality very effectively and emphasized that we will be able to bring awareness in the society only when we are aware of ourselves. Let us first resolve to eliminate gender inequality from our family and help in the development of a healthy society with equality of men and women. In this, the special guests presented a very accurate depiction of the journey of gender inequality to the present in the context of varna system, ashram system etc. of ancient Indian history and also emphasized that if we keep our personality effective, we will never become victims of gender inequality.

The keynote speaker also provided detailed information to the students about the decision given by the Supreme Court in the judgment of Vishakha vs. The State of Rajasthan regarding sexual harassment at work place.

The Principal of the College, Dr. Inamur Rahman informed about the latest judgments given by the Hon'ble Supreme Court regarding gender inequality and appreciated the efforts made by the Judiciary to remove gender inequality in the Indian context. The programme was successfully conducted by Dr. Sunita Asati, coordinator of the programme. More and more students and academic members of the college were present in this program.
